Slimfire

Slimfire

When creating the slimfire brand, we wanted to maintain minimalism and a black finish. therefore, the series includes black frames and blackwave-shaped burners, protected by thick, tempered optiwhite glass. Everything creates a solid but eye-pleasing whole and a perfect element of interior design.

How does it work?

Slimfire is the magic of fire without smoke, without gas, odourless and safe

01

Fill the burner

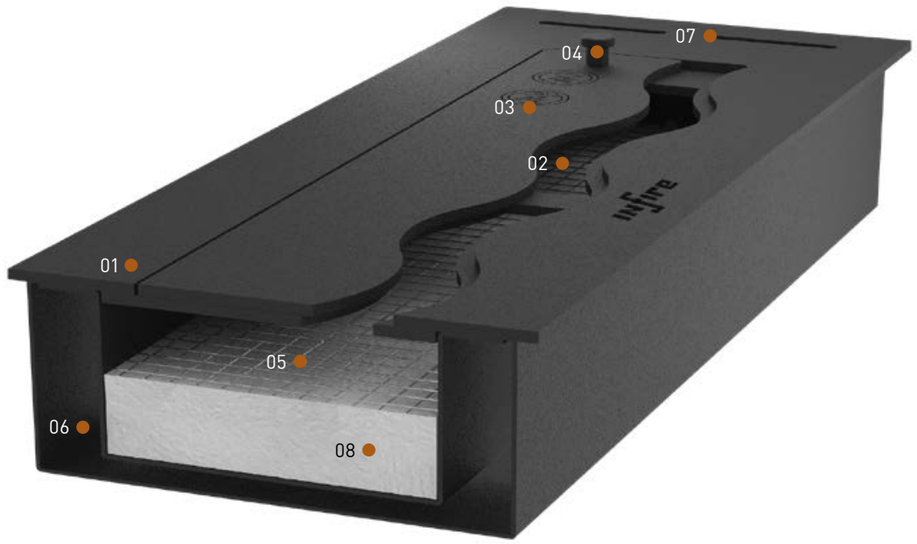

02

Light biofuel

03

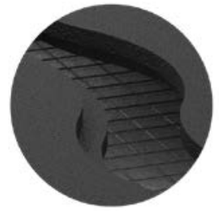

Enjoy the spectacular fire and heat

Features

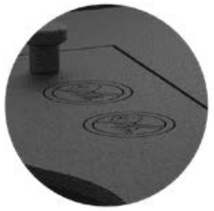

01 ● 6 mm steel with special powder coating

02 ● Flame size adjustment

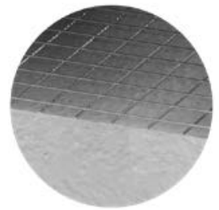

03 ● Safety reminders

04 ● Handle for adjusting the hearth

05 ● Mesh to optimize combustion

06 ● Safety anti pressure box

07 ● Hole mounting strip

08 ● Absorbent fiber to prevent fuel spillage
